

CSE 326 PROJECT

NAME:- MATTA MOKSHAJNA

REGISTRATION NUMBER:- 12212039

SECTION:- KOC12

TITLE OF THE PROJECT:- RESTAURANT

ABOUT PROJECT:-

We have created this restaurant website using HTML and CSS technology and have made a static website, we have attached the source code and snapshots of our website.

We have mainly used anchor tags to add few links to the website and image tags to add some pictures to our website, paragraph tags to add some content to our website and div tags to divide the sections in a organised way and list tags to properly format into list.

We have linked our CSS file to the HTML file using anchor tag href attribute.

We have styled our website using CSS and we have used poppins font exporting it from google and have added colours for individuals sections for the HTML code and have also given ample padding to make it more presentable.
